

D.O. No. CEE/IREE/2012

Dated: 27.11.2012

**Chief Electrical Engineers,  
Indian Railways**

**Sub: Participation of exhibitors in the exhibition to be held during the IREE sponsored Seminar on high speed Trains in India on 1<sup>st</sup> & 2<sup>nd</sup> Feb., 2013.**

It is to reiterate that during the International Seminar on high speed Trains in India on 1<sup>st</sup> & 2<sup>nd</sup> February, 2013 an exhibition is also being organized. I would like to clarify that this exhibition is not restricted to high speed traction items only but will include exhibits related to various electrical equipment in the areas of electric traction, locomotives & EMUs, coaching stocks, and items related to general services. In this matter I would like to bring out that in this exhibition, exhibitors are welcome to display their ongoing systems including various developments carried out and also the future plans.

I would request that various firms in your area be impressed upon to come forward and put up exhibition during this Seminar which will be attended by all senior Railway officials of all branches including, Chairman Railway Board and Minister of Railways. The exhibitors can be asked to visit [www.ireeindia.org](http://www.ireeindia.org) for details or contact Sudhir Garg, CESE of this Railway at 09717630302 for any clarification. He will also pursue the matter with you in due course of time.

***With best wishes,***

*Yours sincerely,*

**(MEHTAB SINGH)**
